MEMORANDUM FOR: Mr. Harry Eisenbeiss
Director, Central Reference Service

SUBJECT : CRS Computer Support to the USIB Ad Hoc
Coordinating Group

1. [redacted] after having consulted with representatives from CRS and OJCS, requests your permission to establish a SAFE (Module 1/7) file. This file would be used to control Intelligence Community documents in support of the DCI's responsibilities for control of documents related to the Congressional Committees' review of intelligence. Implicit in this request is the continuous support of CRS' Systems Analysis Staff for the duration of the Congressional reviews and the disposition of the records thereof.
